Student Welfare

The college is committed to safeguarding and promoting the welfare of young adults and expects all staff to share the commitment. We provide a supporting and caring 'family' atmosphere, which is made possible by the College keeping its student numbers relatively low. This allows teachers to spend quality time focusing on individual needs and identifying student's strengths and weaknesses. The College prides itself on ensuring students are supported during their training. Mandy places great importance on the welfare of her students and has an 'open door' policy which allows the students to fully communicate with their peers and College staff so that they can express any concerns or difficulties that they may be experiencing. Mandy and the Student Welfare Officer provide student support and advice in many practical areas including accommodation, finance and other related issues.

Medical

We acknowledge that a performer's body needs to be kept in peak physical condition in order to cope with the demanding nature of training in the performing arts. We strive to keep our students' injuries to an absolute minimum and offer support and guidance on injury prevention. We ensure that our Fitness Consultant can attend to all student injuries quickly and efficiently so that time away from training is minimised and can help in arranging GP / specialist referrals should it be required.
